Midnight City, Majesco Entertainment
Release Date: 24 Feb, 2016

English

krautscape gameplay. krautscape steam. krautscape download. krautscape. krautscape game

Nice graphics style, challenging levels.. A fun little multiplayer game.. great game and the local coop is brilliant, plus the price is pretty good.. very nice boring game. Very lovely looking game with neat mechanics, need better collision reactions though, and online is a lagfest.
